### **Reviews**

*It is one of the best publications. It is definitely simplistic but exciting in the 50% in the ebook. I am very happy to let you know that this is basically the greatest publication I have got to go through within my own existence and could be the greatest pdf for ever.*

Hal Leonard Corporation, United States, 2001. Paperback. Book Condition: New. 295 x 229 mm. Language: English . Brand New Book. (Educational Piano Library). From the very first lessons in Book 1, students are making music as they explore the piano keyboard through fun improvisation pieces called My Own Song . Once the students are introduced to the staff, they learn reading guides Bass F and Treble G and read by interval in several different hand positions. This package includes a Piano Lessons Book with access to online audio and MIDI files of delightful backing tracks to give kids the joy of sounding great even as beginners! The online audio also features Playback+ features that let students slow down the tempo without changing pitch or loop challenging passages until they get it right!.
