Brand New Book ***** Print on Demand *****.CROSSING THE SCRIPTURES is a Bible Study supplement for anyone who wants to know more about each of the 66 books of the Old and New Testaments. This is not only a starter course for someone unfamiliar with the individual content of each book, but it is also a collection of divine links between these books based on the Hebrew alphabet. This new way of approaching the Scriptures will edify even those who have spent years studying the Holy Word. The 22 letters of the Hebrew alphabet connect three times each with the 66 books of the Christian Bible. CROSSING THE SCRIPTURES matches each letter to each book, in order, three times, so the reader can observe the amazing connections between books that are spaced exactly 22 books apart. Each chapter can be used as a daily devotion, a Bible study lesson, a reference help, a sermon starting point or a discussion guide. Summaries, themes, charts and weblinks are included.
