INNER CIRCLE

Atria Books. Hardback. Condition: new. BRAND NEW, Inner Circle, Evelyn Lozada, Courtney Parker, "Evelyn Lozada, the breakout star of VH1's hit reality show Basketball Wives, brings you her first novel in the hot new series, The Wives Association." Against her mother's wishes and her own reservations, Eve Inez marries Los Angeles Leopard's superstar wide receiver, Chase Landon, and finds herself in a close-knit circle of friends who are also married to elite athletes. Each of the wives soon discover their lives aren't all glitz and glam, and that with wealth and fame there's always a price to pay. It's a regular battle of the sexes and Eve quickly realizes her circle needs protection against the everyday drama that keeps coming their way - prenups, baby mamas, scandals, cheating and worst of all, gossip. In answer, Eve encourages the wives to band together to form The Wives Association. No athlete, no matter how rich, pampered or devious, is going to get one over on her girls - that is, until she herself is confronted with one terrible truth that strikes much closer to home than she could ever have imagined. Inner Circle "is a jaw-dropping peek into the lives of a group of women married to professional athletes. This gripping page-turner will make it impossible for readers to determine where real life ends and fiction begins and is sure to have every reader salivating for more.
