A LOOK INTO EGYPTIAN ART, PHOENICIAN ART (PAPERBACK)

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The art of ancient civilizations and traditional folk cultures have been eternally deemed as classics. The concept of the World Culture Art Series is to introduce to the participants, the value of the artistic creations found across the globe. Aspects of these art elements are to help broaden the creative minds of individuals. The images selected in this series include mythical creatures, patterns, abstract styles, and so much more. These pictures are from various sculptures, paintings, friezes, bas-reliefs, potteries, masks etc., and have been simplified for the project. Each image includes a brief footnote about its rich history behind it.
