Brand New Book ***** Print on Demand *****.Excerpt from England in the Seven Years War, Vol. 2 of 2: A Study in Combined Strategy A striking feature of the operations against Quebec is that in spite of their extreme difficulty and the risk they involved, and in spite of the decisive importance of the objective, no direct attempt to interrupt or even to harass them was made from France. The conditions which produced this result have still to be dealt with, and are well worth study. In the first place, they introduce us to a fresh principle of higher strategy which recurs in almost all great wars, and above all others tends to strategical confusion in their conduct. That law, or principle, is the tendency of limited wars to become unlimited in character. The process, as between two powerful and determined states, is almost inevitable. In a limited war, correctly conducted, a phase must be reached sooner or later in which one party begins to predominate in the limited area - that is, the area of the special object. The other party, as he...
