

Breakthrough Plus 1 Elementary Student Book plus Digibook pack (Mixed media product)

By Miles Craven

Macmillan Education, United Kingdom, 2013. Mixed media product. Condition: New. Language: English . Brand New Book. A communication-focused course that builds young adult and adult learners confidence to use English. Breakthrough Plus contains modernised content, a fresh design and a digital version of the Student s Books for classroom presentation purposes as well as additional practice material with markbook functionality. The accompanying digibook provides an onscreen version of the Student s Book with integrated audio, plus additional interactive practice with over 120 activities and markbook functionality. The Digibook includes 12 video street interviews filmed in New York with accompanying worksheets. Teachers have access to the DigiBook, their students markbook, and an additional Test Generator program. This has created a truly blended, content-rich course, covering high-interest themes in a thorough but accessible way. NEW Digibook provides an onscreen version of the Student s Book with integrated audio, plus additional interactive practice with over 120 activities and markbook functionality. The Digibook includes 12 video street interviews filmed in New York with accompanying worksheets Teachers have access to the DigiBook, their students markbook, and an additional Test Generator program A strong emphasis on skills (such as conversation strategies) with an emphasis on Listening...
