Walker Childrens. Paperback. Book Condition: New. Paperback. 320 pages. Dimensions: 8.2in. x 5.5in. x 1.1in.Fiona doesnt remember going to sleep. But when she opens her eyes, she discovers her entire world has been altered-her house is abandoned and broken, and the entire neighborhood is barren and dead. Even stranger is the tattoo on her right wrist-a black oval with five marks on either side-that she doesnt remember getting but somehow knows she must cover at any cost. And shes right. When the honeybee population collapsed, a worldwide pandemic occurred and the government tried to bio-engineer a cure. Only the solution was deadlier than the original problem-the vaccination turned people into ferocious, deadly beasts who were branded as a warning to un-vaccinated survivors. Key people needed to rebuild society are protected from disease and beasts inside a fortress-like wall. But Fiona has awakened branded, alone-and on the wrong side of the wall . . . This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
