

AutoCAD 2012 Beginning and Intermediate (Mixed media product)

Filesize: 2.18 MB

Reviews

Here is the finest publication we have read right up until now. It is actually written in easy words instead of difficult to understand. It's been written in a remarkably easy way in fact it is only right after I finished reading this book in which basically changed me, modified the way I really believe.

(Prof. Vanessa Smitham V)

AUTOCAD 2012 BEGINNING AND INTERMEDIATE (MIXED MEDIA PRODUCT)

Mercury Learning Information, United States, 2011. Mixed media product. Condition: New. Language: English . This book usually ship within 10-15 business days and we will endeavor to dispatch orders quicker than this where possible. Brand New Book. Unlike many AutoCAD competitors, this book covers only the basics and uses mixed units - inches, meters, feet, kilometers, etc., to illustrate the myriad drawing and editing tools for this popular application. Use the DVD to set up drawing exercises and projects, see all of the book s figures in color, and draw with a trial version of AutoCAD 2012. AutoCAD 2012 Beginning and Intermediate includes 50 exercises or mini-workshops, that complete small projects from concept through actual plotting. Solving all of the workshops will simulate the creation of two full projects (architectural and mechanical) from beginning to end, without overlooking any of the basic commands and functions in AutoCAD 2012.
