

Change or Die: The Three Keys to Change at Work and in Life

Filesize: 9.72 MB

Reviews

This pdf can be worth a read through, and a lot better than other. I really could comprehend everything using this written e book. I am just pleased to explain how this is actually the very best book i have read through in my individual lifestyle and can be the very best publication for actually.

(Jaclyn Price)

CHANGE OR DIE: THE THREE KEYS TO CHANGE AT WORK AND IN LIFE

HarperCollins Publishers Inc. Paperback / softback. Book Condition: new. BRAND NEW, Change or Die: The Three Keys to Change at Work and in Life, Alan Deutschman, Change or Die. What if you were given that choice? If you didn't, your time would end soon--a lot sooner than it had to. Could you change when change matters most? This is the question Alan Deutschman poses in Change or Die, which began as a sensational cover story by the same title for Fast Company. Deutschman concludes that although we all have the ability to change our behavior, we rarely ever do. From patients suffering from heart disease to repeat offenders in the criminal justice system to companies trapped in the mold of unsuccessful business practices, many of us could prevent ominous outcomes by simply changing our mindset. A powerful book with universal appeal, Change or Die deconstructs and debunks age-old myths about change and empowers us with three critical keys--relate, repeat, and reframe--to help us make important positive changes in our lives. Explaining breakthrough research and progressive ideas from a wide selection of leaders in medicine, science, and business (including Dr. Dean Ornish, Mimi Silbert of the Delancey Street Foundation, Bill Gates, Daniel Boulud, and many others), Deutschman demonstrates how anyone can achieve lasting, revolutionary changes that are positive, attainable, and absolutely vital.
