

Drone Warrior: An Elite Soldier's Inside Account of the Hunt for America's Most Dangerous Enemies (Paperback)

By Brett Velicovich

HarperCollins Publishers Inc, United States, 2018. Paperback. Condition: New. Reprint. Language: English . Brand New Book. A must read for anyone who wants to understand the new American way of war. - General Michael V. Hayden, former Director of the Central Intelligence Agency and the National Security Agency A former special operations member takes us inside America's covert drone war in this headline-making, never-before-told account for fans of Zero Dark Thirty and Lone Survivor, told by a Pulitzer Prize-winning Wall Street Journal writer and filled with eye-opening and sure to be controversial details. For nearly a decade Brett Velicovich was at the center of America's new warfare: using unmanned aerial vehicles-drones-to take down the world's deadliest terrorists across the globe. One of an elite handful in the entire military with the authority to select targets and issue death orders, he worked in concert with the full human and technological network of American intelligence-assets, analysts, spies, informants-and the military's elite operatives, to stalk, capture, and eliminate high value targets in al-Qaeda and ISIS. In this remarkable book, co-written with journalist Christopher S. Stewart, Velicovich offers unprecedented perspective on the remarkably complex nature of drone operations and the...
