Wipf Stock Publishers, 2016. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The Radical Teaching of Jesus carefully and thoughtfully invites the reader into an understanding of the life and teachings of Jesus. Both his life and teachings are radical in that Jesus intended those who observed his life and heard his teachings to make a major change in their lives by fully receiving the power and presence of God. The implications of this transformation would result in a life of loving God with heart and mind and one's neighbor without condition. This volume underlines that to have a full understanding of the implications of the radical teaching of Jesus requires a careful reading of the history--of the Gospel records, of the circumstances in which Jesus lived, and of Jesus sense of vocation. This understanding makes possible a more credible and nuanced grasp of the style and content of the life and teaching of Jesus and its extraordinary relevance for our rapidly changing and troubled global context. The book speaks poignantly both to those within the Christian family who find traditional categories regarding Jesus increasingly difficult to affirm, and to those of other faith traditions or religious unaffiliated who seek an authentic spiritual way. This book is a powerful address to those nones or doubters, along with thoughtful believers, who yearn for deep patterns of meaning, yet do not find a home in traditional religious communities. --Mark Valeri, John C. Danforth Center on Religion and Politics, Washington University in St. Louis In this significant volume readers will discover a gentle and wise guide who has laid out a path of exploration for those who remain certain about traditional faith, but even more for those on the margins and beyond, those for whom traditional ways...
