He lived for most of his life with his sister Clemence, also an author, and a talented engraver -- it is Clemence to whom Housmans 1898 book of short stories, *The Field of Clover*, is dedicated. A prolific, gifted writer, Housman is best-remembered today for his plays, including an adaptation of Goldsmiths *The Vicar of Wakefield*, and the enduringly-popular *Prunella, or Love in a Dutch Garden*. Housman also wrote an impassioned defense of Oscar Wilde, emphasizing Wildes literary talent, and his right to a self-directed life. *The Field of Clover* is a collection of fairy tales that are reminiscent of Wildes aesthetic. *The Field of Clover* includes six stories that comprise a larger tale of *The Bound Princess*, as well as four other tales: *The Crowns Warranty*, *The Wishing Pot*, *The Feeding of the Emigrants*, and *The Passionate Puppets*. Housmans initial success came with his 1900 novel, the at-first anonymously-published *An Englishwomans Love Letters* -- likely a great inspiration for later romantic, epistemological novels that remain popular today. He lived a long life, losing his sister Clemence in 1955, he died in 1959 at age 93 in Glastonbury. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN.
