Reviews

Great electronic book and useful one. It can be written in straightforward terms rather than difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Brand New Book ***** Print on Demand *****.Persist is a lined writing journal whose 162 pages include quotes from women who have persisted and prevailed. Intended to be both inspirational and educational, the 81 women featured in Persist, beginning with Joan of Arc and ending with Malala Yousafzai, were selected to remind us of what is truly important. The women of Persist, both famous and infamous alike, from Elizabeth Warren, Oprah and Rosa Parks to Grace Hopper, Helen Thomas and Calamity Jane speak to us from a unique historical perspective. Their combined words create a living wisdom. Why Persist? Why now? Persist strives to give form and substance to what we are too close to recognize. These women's grace, strength, grit, humility and humor are a testament to the tremendous courage and audacity required to take a stand. Persist challenges us to put their wisdom to work in our lives, our families, in our community, and in our world. To endeavor to leave a mark. Persist is the first in a series of journals from Quote of Conduct and is available in 4 unique cover designs. These journals offer an invitation to define what you believe in. What we do, Persists. - 162 lined pages gives you plenty of room for writing or reflecting - 81 thought provoking quotes from women throughout history - Each quote...
