Createspace Independent Publishing Platform, 2018. Paperback. Condition: New. Language: French . Brand New Book ***** Print on Demand *****. J apporte a cette grande histoire qu'un homme de talent a commencee, l'histoire du tiers-etat en France, quelques documents precieux. Voici les deliberations, memoranda, souvenirs de depenses et notes administratives d'une de nos villes centrales a la fin du moyen-age; - debris entasses sans ordre dans de vieux registres et compiles par un ignorant. Les curiosites y abondent avec les puerilites; il en resulte un tableau complet du mouvement de la cite chartraine entre 1450 et 1580, c'est-a-dire entre Charles VIII et Henri IV. On y verra la virilite des ames et le bon sens des actes compenser l'insuffisance des theories et la barbarie des moeurs, des populations ignorantes et asservies jeter d'admirables semences d'avenir; on y reconnaitra que les manants de la Gaule centrale ne meritent nullement le mepris de l'histoire.
