

## Flipping the Switch: Four Principles of Significant Thinking (Paperback)

By Dr Wm Wayne Brown

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Do you want to be a diamond, but feel you are still semi-precious? Have you been yearning to adopt a more fulfilling lifestyle but don't know how to begin? Is your history hindering your future? Author Wm. Wayne Brown, EdD, draws from his own observations and research, along with the experiences of others, to help you realize that how you think is as important as what you think in shaping your future. To be clear, this is not just another positive thinking book, though it is full of hope as it introduces you to the power of significant thinking. Neither is it academic, though backed by scholarship; nor is it religious, though spiritual. What this book is, then, is a practical resource for changing your thinking process and then taking action. Flipping the Switch ultimately provides a pathway that allows your spirit to soar. Throughout his career in education, ministry, and community development, Dr. Brown has been passionate about mentoring others. Along the way, he has developed a unique set of concepts designed to enhance inner processes, such as...
