

Lavender (Paperback)

By Michelle Nguyen

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Lavender is a beautiful collection of modern prose and poetry about the human journey through emotion as the author has experienced or observed it. It focuses primarily on romance, often from the perspective of someone who is also dealing with anxiety, depression, or self-doubt. As humans we may feel too much at times. Lavender, with healing properties in addition to its soothing color and scent, represents that calm resilience in each one of us that allows us to continue to grow throughout this emotional journey, and appreciate every moment of it. We ache. We hope. We want. We love.
