English has been the lingua franca for a while now, but it's not going to always be that way. It's projected that Chinese or Spanish might take over the English language as the lingua franca in the next century. So it makes sense that you're searching this book: Spanish is an in-demand language to know. By knowing Spanish, you're opening the door to communication with hundreds of millions of more people than you could speak with before. This makes you a desirable asset to a great number of companies and makes you an all-around more well-rounded person. I'm not certain why you picked this book up. It could be general curiosity about Spanish, you may be going on a trip and needing a crash course in Spanish before you do. Regardless of what your intent is, the key fact is that you're looking for the best possible way to learn Spanish while getting the best bang for your buck, too. This book is everything you're looking for. Learn Spanish with Stories Are you looking for a fantastic and in-depth way to learn a new language?
