Magisterarbeit aus dem Jahr 2010 im Fachbereich Politik - Internationale Politik - Thema: Europäische Union, Note: 1, 7, Ernst-Moritz-Arndt-Universitt Greifswald (Institut fr Politik- und Kommunikationswissenschaft Fachbereich Politikwissenschaft, Lehrstuhl fr Internationale Politik und Regionalstudien), Sprache: Deutsch, Abstract: This work analyses the processing of Euro-political models with regard to Europes final objective in Britain and Germany between 2000 and 2009 because there is a contrast to their Euro-political models. The focus lies on British and German government members, who formulate their models both in an intergovernmental and a supranational way. The question that does arise is whether the views of Europes final objectives could approximate to each other against the background of the EU Reform Treatys process. The causal effect that should be investigated is the influence of social learning processes on a Euro-political model change. When there is no change it could be more difficult to answer the question of the Europes final objective. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN.
