Reviews

It is just one of the best ebooks. I was able to comprehend every thing out of this composed e pdf. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Ocie Hintz)

ON THE SHORES OF POLITICS (PAPERBACK)

Verso Books, United Kingdom, 2007. Paperback. Condition: New. Language: English . Brand New Book. It is frequently said that we are living through the end of politics, the end of social upheavals, the end of utopian folly. Consensual realism is the order of the day. But political realists, remarks Jacques Ranciere, are always several steps behind reality, and the only thing which may come to an end with their dominance is democracy. We could , he suggests, merely smile at the duplicity of the conclusion/suppression of politics which is simultaneously a suppression/conclusion of philosophy. This is precisely the task which Ranciere undertakes in these subtle and perceptive essays. He argues persuasively that since Plato and Aristotle politics has always constructed itself as the art of ending politics, that realism is itself utopian, and that what has succeeded the polemical forms of class struggle is not the wisdom of a new millennium but the return of old fears, criminality and chaos. Whether he is discussing the confrontation between Mitterrand and Chirac, French working-class discourse after the 1830 revolution, or the ideology of recent student mobilizations, his aim is to restore philosophy to politics and give politics back its original and necessary meaning: the organization of dissent.
