

The March to Kandahar: Roberts in Afghanistan (Paperback)

Filesize: 1.31 MB

Reviews

This ebook might be worthy of a read, and far better than other. it was writtern really flawlessly and useful. I found out this pdf from my i and dad recommended this ebook to learn.

(Prof. Ruben D'Amore PhD)

THE MARCH TO KANDAHAR: ROBERTS IN AFGHANISTAN (PAPERBACK)

Pen Sword Books Ltd, United Kingdom, 2012. Paperback. Condition: New. Language: English . Brand New Book. The book describes the role of Frederick Roberts in the 2nd Afghan War, culminating in his famous march in 1880 with 10,000 picked British and Indian soldiers, 300 miles in twenty-three days, from Kabul to Kandahar, to defeat the Afghan army of Ayub Khan, pretender to the Amirship of Kabul. The march made Roberts one of late Victorian England's great military heroes, partly because of the achievement itself, partly because the victory restored British prestige after defeat, and finally because of Roberts' astute use of the press to puff his victory. This overcame the earlier damage done to his reputation by the political storm raised by his hanging over eighty Afghans in revenge for the massacre of a British envoy and his escort. It enabled the liberal Viceroy of India, Lord Ripon, to extract his forces from an Afghan imbroglio with prestige restored and an emir on the Afghan throne who for thirty-nine years maintained friendship with British India. Roberts (or Bobs as he was known) subsequently advanced to command the Indian Army, working closely with future Viceroys to influence Indian defence policy on the North-West Frontier, being hymned by Rudyard Kipling, poet of empire. His best-selling autobiography, *Forty-One Years in India*, established his image before the British public and he remains one of Britain's best known, if least understood, military figures.
