

## Travel Writing 1700-1830: An Anthology (Paperback)

Filesize: 8.51 MB

### **Reviews**

*This ebook is very gripping and intriguing. I have got read through and i also am confident that i will gonna read through yet again again down the road. Its been written in an extremely straightforward way and it is merely right after i finished reading this book through which actually altered me, alter the way i really believe.*

Oxford University Press, United Kingdom, 2009. Paperback. Condition: New. Reissue. Language: English . Brand New Book. How is the mind agitated and bewildered, at being thus, as it were, placed on the borders of a new world! - William Bartram Thus you see, dear sister, the manners of mankind do not differ so widely as our voyage writers would have us believe. - Mary Wortley Montagu With widely varied motives - scientific curiosity, commerce, colonization, diplomacy, exploration, and tourism - British travellers fanned out to every corner of the world in the period the Critical Review labelled the Age of Peregrination . The Empire, already established in the Caribbean and North America, was expanding in India and Africa and founding new outposts in the Pacific in the wake of Captain Cook s voyages. In letters, journals, and books, travellers wrote at first-hand of exotic lands and beautiful scenery, and encounters with strange peoples and dangerous wildlife. They conducted philosophical and political debates in print about slavery and the French Revolution, and their writing often affords unexpected insights into the writers themselves. This anthology brings together the best writing from authors such as Daniel Defoe, Celia Fiennes, Mary Wollstonecraft, Olaudah Equiano, Mungo Park, and many others, to provide a comprehensive selection from this emerging literary genre. ABOUT THE SERIES: For over 100 years Oxford World s Classics has made available the widest range of literature from around the globe. Each affordable volume reflects Oxford s commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, helpful notes to clarify the text, up-to-date bibliographies for further study, and much more.
