Waterbrook Press (A Division of Random House Inc), United States, 2001. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Is the Universe on our side? My own investigations over a period of many years have given me a quiet assurance that there is a God who has given us sufficient clues in life, nature, human thought, beauty and art to satisfy the genuine inquirer that he exists, and that he has expressed himself most meaningfully in Jesus Christ. However, you may come to a different conclusion at the end of this book and that is your right as a thinking responsible person. All I can do is to invite you to join me in looking at the arguments again. Writing in a popular style but with careful reasoning, George Carey explains the traditional message of Christianity in its stark confrontation with modern unbelief and indifference. Here is a brief, aggressive, but always warm and generous appeal to faith for modern readers.
