LE MUS E DE SAINT-BONIFACE MUSEUM (PAPERBACK)

Anim Publishing, United States, 2011. Paperback. Condition: New. Aufl.. Language: English . Brand New Book. Please note that the content of this book primarily consists of articles available from Wikipedia or other free sources online. Le Musee de Saint-Boniface Museum is a museum in Winnipeg, Manitoba, Canada that is dedicated to Franco-Manitoban culture and history. It is located in the oldest building in Winnipeg, a former convent run by the Grey Sisters. Begun in 1846 and finished in 1851, the former nunnery has been an orphanage, a school, a senior s home, and was the first incarnation of the St. Boniface Hospital. The museum contains many Franco-Manitoban and M tis artifacts. The first Grey Nuns who lived in this house arrived in 1844, and lived with Bishop Provencher until the house had been started. The nuns moved into the house in December 1846, at which time only the exterior walls of the first floor and the floor of the second floor above the kitchen had been completed. Due to the extreme temperatures of the region, it was necessary to somehow insulate the room. The nuns used bison pelts hung from the ceiling to do this.
