The Littlest Green Beret: Self-Reliance Learned from Special Forces and Self Leadership Honed as a Business Executive

By Jan R Rutherford

Pylon Publishing, United States, 2011. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****. The Littlest Green Beret represents a small felt hat, my stature, and all those seemingly insurmountable goals. We all face adversity amidst physical, mental, and emotional challenges, and this book is about becoming self-reliant in terms of creating a powerful future. It can also become your battle plan for addressing life's challenges and the key to unlocking the leader within you. Through my own stories of adversity, I will convey how leadership development can occur every day if you're observant, reflective, and determined. This book provides an overview of practical leadership principles for managing oneself, creating a personal strategy, and effectively engaging others to assist you with your own developmental objectives. By exploring what effective leaders actually do and how they do it, you will learn the principles of personal effectiveness and how visionary leadership can develop and inspire people to achieve more than they thought they could. Leadership can be an illusion of control, but changing your perspective on everyday experiences can provide inspirational learning opportunities for personal growth and development.
