Is our supposed experiment of self-government about to prove a failure? Are we so blind as not to see the abyss into which we are about to plunge? Section hostile against section; States arrayed against the Constitution; Churches sundered; the springs of intelligence poisoned at their source; treason stalking at noonday; insurrection rife; the equality of States and citizens denied, and derided; justice rebuked; treachery applauded; traitors canonized; anarchy inaugurated; monarchy calculating the end of republicanism; and the wheels of government clogged by the minions of despotism! All this, my Countrymen, and you passive, silent, sightless; reckless of your own and your children s doom?.
