Book Tango, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The following is an anthology of four short stories from a life apparently peppered with controversy. Or maybe the life stories about to be read are just a reflection of what life is about. We all have this feeling at some time in our lives that maybe, our lives have not lived up to the expectation of others. The truth will inevitably and eventually be found by everyone as they get older and most come to realize that, in fact, their lives have taken similar routes to other. Lives littered with failure and success, happiness and sadness, illness and health, tragedy and triumph, disasters, certainty and uncertainty. Life is life. The whole array of emotions, responsibilities and happenings. Happenings that sometimes are out for our control. In fact, I will go as far as to say that everyone's life when analysed on the day of judgement, will be viewed and summarized with so many similarities, it will be difficult to separate the so called failures to those considered as successes. The reason I have started on this critical and somewhat negative note, is because, all too often in life we face criticism for our actions and life decision making, from people on the sidelines, who seem to live their lives under the assumption that they have somehow cornered a monopoly on the way a life should be lead. Assuming correctness and perfection and with some kind of pompous self righteousness and belief that they somehow missed the unhappiness boat and unlike the rest of us sailed blindly into patronizing self-righteous oblivion. Scotty seems to be one of those lads who finds himself in all kinds of trouble no matter what he...
