Lulu.com, United Kingdom, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.This little gay soap is set in Brno, the capital of Moravia. The rich and the poor, students and professionals, locals and ex-pats, parents and children, the naive and the world-weary weave in and out of each other's lives. They make love and war with each other as they vent their anger, frustrations and jealousies. And there is no shortage of love and affection either. Originally written for gay learners of English as a foreign language, each of the 25 short chapters begins with a list of words and definitions that might be new. For learners there is also online course of the same name. General readers are also welcome there to share language and ideas with learners. In any case, it's a nice little story for anyone who enjoys a bit of fruit.
