City Lights Publishers. Paperback. Condition: New. 308 pages. Thank you, Howard Zinn. Thank you for telling us what none of our leaders are willing to: The truth. And you tell it with such brilliance, such humanity. It is a personal honor to be able to say I am a better citizen because of you. -- Michael Moore, director of the film Fahrenheit 911, and author of the New York Times bestseller, Stupid White Men . . . and Other Sorry Excuses for the State of the Nation! This strong, incisive book by Howard Zinn provides us with a penetrating critique of current U. S. policies and embraces the sweep of history. Zinns inspired voice sets him apart which is why so many of us look to Howard as a modern-day Thoreau. As always with Zinns work, A Power Governments Cannot Suppress leaves us with the faith that citizens have what it takes to confront power and to reverse the dangerous and unjust acts of our government. -- Jonathan Kozol, author of The Shame of The Nation: The Restoration of Apartheid Schooling in America Find here the voice of the well-educated and honorable and capable and human United States of America, which might have existed if only absolute power had not corrupted its third-rate leaders so absolutely. -- Kurt Vonnegut, author of A Man Without a Country Howard Zinn is a unique voice of sanity, clarity and wisdom who reads history not only to understand the present but to shape the future. Profoundly insightful A Power Governments Cannot Suppress should be read by every American, over and over again. -- Michael Lerner, editor of Tikkun Magazine, author of The Left Hand of God: Taking Back our Country from the Religious Right This brilliant new book like Howard Zinns presence, and his whole life, is the best..
