

## Army Support to Security Cooperation: FM 3-22

Filesize: 2.84 MB

### ***Reviews***

*This composed book is wonderful. It is amongst the most awesome book i actually have read through. You will like the way the author create this publication.*

***(Miss Fanny Osinski V)***

## ARMY SUPPORT TO SECURITY COOPERATION: FM 3-22

Createspace, United States, 2014. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Field Manual (FM) 3-22 provides doctrine for Army support to Department of Defense security cooperation. It explains how Army forces conduct security cooperation, from theater army through brigade level, including support from Headquarters, Department of the Army, functional Army Service component commands, major commands, and direct reporting units. Army modularity allows commanders to add selective capabilities to assist the brigade as it conducts security cooperation activities. The brigade and any additional augmentation required from higher echelons provide the framework for advisors to function and accomplish the mission- building partner capacity and capability-to achieve the desired end state. This discussion builds on the doctrine in Army Doctrine Publication (ADP) 3-0 and Army Doctrine Reference Publication (ADRP) 3-0, Unified Land Operations. FM 3-22 establishes context for Army missions by explaining how security cooperation activities are an integral component of unified land operations, joint operations, and unified action. It shows how Army support to security cooperation is nested with national strategic direction. FM 3-22 is consistent and compatible with joint doctrine and emphasizes unified action. It uses text and concepts developed with North Atlantic Treaty Organization and American, British, Canadian, Australian Armies Program partners. The principal audience for FM 3-22 is theater army security cooperation planners, division and brigade leaders and staffs, and Soldiers assigned or attached as advisors to brigades that execute security cooperation missions. Commanders and staffs of Army headquarters serving as joint task force or multinational headquarters should also refer to applicable joint or multinational doctrine concerning the range of military operations and joint or multinational forces. Trainers and educators throughout the Army will also use this manual.
