Createspace Independent Publishing Platform, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.For centuries Baptists and many other evangelicals have used the altar call as a means to challenge people to respond the Gospel of Jesus Christ. Billy Graham has used this method to call over 200 million people to the Savior. Yet, today the public invitation is being attacked from many fronts, especially Reformed churches and church leaders who adhere to Calvinism and Hyper-Calvinism. Dr. Greg Tyree takes a pastoral approach, rather than a strictly scholarly one, to defend the thesis that the altar call is not only historically relevant, but is Biblical and appropriate when used ethically and Scripturally. If seeing people come to Christ in public meetings is important to you, tis book will both encourage you and challenge you.
