Filament Publishing, United Kingdom, 2015. Paperback. Condition: New. Language: English . Brand New Book. Primary school children will receive the very best start to their academic life with this revolutionary book packed full of practical and comprehensive ideas from memory expert Dr Sue Whiting. She draws upon her extensive knowledge in this field to teach nine to eleven year olds the most effective strategies for learning to use their memories. Along with Memo the Memory Monster, Bramble the Wizard s special cat, and Charlie and Holly the Labradors, the Wizard guides children through games, activities and tricks to help them use their memories much more effectively. The book is fun to use with easy to read text, cartoon illustrations, puzzles and quizzes (with rewards), which give children a sense of achievement. The book is set up in a step-by-step sequence so children can use it with minimal parental involvement. The book is the first in the Wizard of Spells series where all aspects of memory training will be included. Drawing on the latest research and her own experience in memory competitions and teaching children, Sue gives authoritative guidance you can trust.
