Though thy tackle s torn Thou show st a noble vessel. Shakespeare. It was midnight before Armida was restored to perfect recollection. Broken, uneasy slumbers followed her swoons: at length she started up, and looked around her. The splendid furniture which Lord Montclare had ordered from England was not yet arrived., and the apartment she was in bore the aspect of preceding centuries: its dark spaciousness, its wainscotting of oak black as ebony, its coved ceiling, and huge windows with small dim panes, were scarcely seen by the lights that burned on a table of black marble beside her bed. Her foreign servants were sitting pale and aghast by an immense turf fire that burn cd on the hearth, for grates were unknown in this Irish castle. Armida inquired for her father: he had retired to rest, And so have all the people in the castle, said the women, except ourselves. Has every one retired? cried Armida, listening. What noise is that I hear then, so deep, and so continued? It is the noise of the sea, said the women: the tide is coming in, and the waves they say often dash against the walls of this melancholy old castle. Armida dismissed her attendants, who, wearied by their journey, gladly retired. She tried to compose herself to rest: it was impossible: her mind was agitated by the events of the day. She rose, and going to the huge casement, which re->...
