Brand New Book ***** Print on Demand *****.Ultimate Guide to e-Cigarette Retail Business Step By Step Guide on how to Open a Vape Shop on a Budget The e-cigarette business has thrived since it started. During 2012-2013 E-cigarette industry has seen the growth of around 300 over the previous year. It is expected to grow even more and by the end of 2017, it is expected to reach around 3 billion dollars. Yet the business is still in its infancy. There is incredible potential for expansion, especially right now. Those same market professionals also believe that the market will continue to expand, with e-cigs outselling traditional cigarettes by 2047. Does this sound like the kind of opportunity you are looking for? Why is the e-cigarette retail business so appealing? The answer is simple. E-cigarettes present an untapped market where you can not only have a business, but also expand it around the corner, around the Internet, and ultimately, around the world. By starting an e-cigarette business now, you can get into the market before it becomes saturated. Too many products are hard to sell. You have to take a low-profit margin on those other products because everyone else is trying to sell the same thing. The demand is great, but the supply is even greater. I have been at the forefront of e-cigarette business both the wholesale and retail level for last three years. I am not only a wholesaler and retailer, but I am also a direct importer of e- cigarette products. I have made numerous trips to China in last few years and seen first hand how massive and fast-growing industry this truly is. I put together this guide book to give my readers an...
