Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from A History of the Parish of Landbeach in the County of Cambridge Not the least curious, and even important, advantage resulting from this fact is the insight we gain thereby into the temporalities of the rectors, as they existed at different periods. We not merely have an accurate statement of their nature at the compiling of that valuable record, the King's Book, but we learn whatever we need wish to learn, regarding the several circumstances of one living previously to the commutation of the tithes. Should any incumbent peruse this, or some similar, narrative of clerical income, he cannot fail being as much surprised, as gratified, whilst contrasting the simplicity, and pleasantness, of his own proceedings with the complicated, and disagreeable, system of remuneration, which fell to the lot of his predecessors. The whole matter is here laid open to our view: we are made to know all about the tithe pig, as well as the tithe corn; about the mortuary guinea, (though in the country it did not exceed the statutable sum of ten shillings,) as well as the tithe of young creatures, of milk, too, of leeks, and of willows. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are...
