Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Shopify Dropshipping - Earn Your First \$1000 Online Quickly Easily Online shopping is gaining popularity now as it gives customers the opportunity to conveniently shop without necessarily leaving home. E-commerce is a growing business and there is no better time to enter the market than now. In 2015 alone, worldwide online business to customer sales was estimated at a whopping US\$1.471bn and this figure is forecasted to increase aggressively now that customers find it more advantageous to shop online. If you are thinking about joining the growing number of online sellers of products, then you are in luck. Businesses are aggressively pushing their products for sale so that you will not have problems of sourcing for items you can sell. Your edge now would be the personalized and quick service that you are able to extend to your customers which, unfortunately, most online sellers take for granted. In this book you ll learn: The Steps To Follow in Setting Up Your Shopify Business - Setting Up Your Shopify Store, Uploading and Tagging Products, Using Social Media to Market the Products, and Processing Orders Identifying Your Market Niche Updating Product List: Categorizing Products, Weeding Out Slow Moving Items, and Deliveries It would seem that setting up an online business is an overwhelming task. This is because most of the work in setting your online business involves visuals: catalogs, products pictures, and price lists. Remember that online stores would have to sell itself online: from the picture, to the size, the color, and even the price. What s inside The book focuses on the five most important areas that one who would set up an online business has to consider. These...
