Arbordale Publishing, United States, 2008. Paperback. Book Condition: New. Connie McLennan (illustrator). 249 x 216 mm. Language: English . Brand New Book. This sequel to the award-winning *Water Beds: Sleeping in the Ocean* (2007 Teacher s Choice 2005 Mom s Choice) takes readers on an around-the-world boat ride to learn how mammals sleep in or around nine major rivers of the world on all continents except Antarctica. Row down the Mississippi and watch two river otters slip into a hollow tree or look to the bank of the Brisbane River as a platypus pops into a hole and disappears into a narrow tunnel. Told in a soothing style, this book serves as a bedtime/naptime story for younger children or an animal geography book for older children. Adults may learn something, too! The For Creative Minds education section features a World Map.
