This is basically the finest publication i actually have go through till now. We have read and i also am confident that i am going to likely to read through again once more in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.

University of Nebraska Press. Hardback. Book Condition: new. BRAND NEW, The Complete Letters of Henry James, 1878-1880: Volume 1, Henry James, Greg W. Zacharias, Pierre A. Walker, Michael Anesko, Containing letters written between October 3, 1878, and August 30, 1879, this volume of The Complete Letters of Henry James reveals Henry James establishing control of his writing career and finding confidence in himself not only as a professional author on both sides of the Atlantic but also as an important social figure in London. In this volume of 114 letters, of which 58 are published for the first time, we see James learning to negotiate, pitting one publisher against another, and working to secure simultaneous publication in the United States and England. He establishes a working relationship with Frederick Macmillan and with the Macmillan publishing house, cultivates reviewers, basks in the success--and notoriety--of his novella *Daisy Miller*, and visits Alfred Tennyson and George Eliot, among others. James also produces essays on political subjects and continues to publish reviews and travel essays. Perhaps most important, James negotiates terms for and begins planning *The Portrait of a Lady*.
