Reviews

This written publication is wonderful. It is rally fascinating through reading period. I discovered this book from my dad and i suggested this publication to find out.

(Keshawn Daugherty)

BEYOND ROMANCE

State University of New York Press, United States, 2001. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book. Beyond Romance critiques the romantic ideal that predominates contemporary thought and practice it defines, explores, and advocates authentic love as a preferable alternative. The author claims that you can t genuinely love a person you don t know, and that the quality of love depends on the quality and extent of the knowing. Drawing heavily from the work of Merleau-Ponty, Dillon also takes up the classical treatments of love from Plato to the present, emphasizing Hegel, Freud, Sartre, and Derrida. Dillon argues that much of contemporary erotic malaise is traceable to the flaws in the romantic model, and that authentic love addresses these mistakes and promises relief.
