In the tradition of her landmark coffee-table book *Roadside America: The Automobile and the American Dream*, renowned automotive visionary and award-winning photographer Lucinda Lewis wows lovers of classic automobiles and popular culture with her photographic tribute to one of the world's most iconic automobiles--the Chevrolet Bel Air. This pictorial essay of the Bel Air car series is a must have book for anyone who appreciates classic American cars. Lewis has selected some of her favorite photographs from the vintage Bel Air series in their natural habitat - the highways and byways of America. The result, *Car Culture Classics: Chevrolet Bel Air*, is a visual feast of chrome-laden Bel Airs and their artistically designed accessories and automotive design features set against the backdrop of roadside America with its gleaming neon-drenched 20th century architecture influenced by the rise of the automobile. You will never look at a Chevrolet Bel Air the same way again.
