

AFLS Community Participation Skills Assessment Protocol

By James W. Partington and Michael M. Mueller

AFLS, 2012. Spiralbound. Book Condition: New. The Assessment of Functional Living Skills (AFLS) has the ease, look, and familiarity of the ABLLS®-R extended to necessary skills of independence in home, school, and community settings. The Assessment of Functional Living Skills (AFLS) consists of three different components: . The AFLS Guide . Four individually available assessment modules . A teaching companion for each module that contains task analyses, teaching suggestions, and prompting strategies for each skill (coming soon) Each assessment module is a standalone assessment protocol. Mix and match the modules you need to meet the needs of your learner. Use all the modules for a comprehensive assessment of functional skills across all areas of daily life. Bundle multiple modules and customize the perfect assessment for your setting and situation. This is the Community Participation Module. The AFLS Community Participation Skills Protocol assesses more than 250 functional skills in eight different areas necessary for independence community settings including: . Basic Mobility . Community Knowledge . Shopping . Meals in Public . Money . Phone . Time . Social Awareness and Manners Each volume--the four assessment modules currently available and the Guide itself--may also be purchased individually.
