

Building Cultural Intelligence in Church and Ministry: 10 Ways to Assess and Improve Cross-Cultural Competence in Church, Ministry and the Workplace. (Hardback)

By Osoba O Otaigbe

AUTHORHOUSE, United States, 2016. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The church today is gradually becoming a place where many diverse cultures meet to worship God. As we worship together, there are often challenges on how you build constructive friendship within these diverse cultures. The purpose of this book is to enable individuals and churches with diverse cultures to achieve local and global effectiveness and friendship in mission and ministry through cultural competence audit, assessments, and improvement. In a diverse city and world, we have so much in common and are also very different. We cannot all be the same; we are created by God in a very unique way. However, we do want to understand each other and work together effectively and peacefully to bring the kingdom of God as proclaimed by Jesus to many in our city. Culture matters whether in the national, ethnic, generational, organizational, or socioeconomic class. This book explores many themes within cultural intelligence. This study guidebook can be used as a read alone or within small groups and mission groups. It can also be used as part of a campaign, building a culturally intelligent church by the...
