

Carousel of Progress (Paperback)

By Katherine Tanney

Villard Books, United States, 2001. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Meet Meredith Herman, a fourteen-year-old expert witness to the slow unraveling of her parents marriage amid the lunacy of Los Angeles, 1978, a world of bell-bottoms, grapefruit diets, and plastic surgery. Meredith is a girl of a specific time and place tackling the universal challenges of boys, school, and parents. Her mother, Leigh, is a housewife suffering an excruciating and often hilarious midlife discontent, a malaise that leaves Meredith's father, Robert, genuinely baffled. As Leigh attempts to reinvent herself as a liberated lady - complete with assertiveness-training classes and a dalliance with an exotic artist - Robert runs for cover into a hasty second marriage. Through it all, Meredith and Leigh struggle in a combative mother-daughter relationship as wonderfully real as any in contemporary fiction. Tanney's debut sparkles with pitch-perfect dialogue and an astonishingly accurate sense of place. This novel will take readers on a journey of belly laughs and heartbreak. The Herman family's story will charm and captivate you long after you've turned the last page. From the Hardcover edition.
