## Good Night Little Monsters

By Adam Gamble

Our World of Books, United States, 2017. Board book. Condition: New. Language: English . Brand New Book. Good Night Little Monsters is a hilarious addition to the best-selling (4 million copies sold and counting) Good Night Our World series. Children and their parents are sure to giggle, smile, and smirk as they read about these mischievous tikes who are a little too much like a few too many of us. The little monsters in this book are gently encouraged NOT to drink from the maple syrup bottle at the breakfast table, NOT to play in mud puddles with their best dresses on, and NOT to tickle their little brother s during naptime. They are asked politely NOT to play ball in the house, NOT to take cookies from the cookie jar without permission, and NOT to dress the dog in mom s favorite outfit. You ll have to read the book yourself to find out if these troublesome tots will or will not please, please, please turn of the light, and say good night!.

*The publication is simple in go through preferable to fully grasp. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.*
