The Cecilian Blue-Collar Chronicles (Paperback)

By Hayden Thorne

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.In the year 8016 on the newly colonized planet Cecilia, space-age technology, hapless Earthling colonists, and a magical realm no one knew existed, will come together in a collision course when two young men from different worlds cross paths and fall in love. Sheridan Diggins, an astro-cab driver barely scraping a living, finds himself thrown into the deep end of a magical pool when Yuli Soulweaver, the prince of the dead, decides to come to the surface and woo him. Of course, as it usually happens, nothing goes as planned, and murderous entities from Yuli's world come after Sheridan to stop him once and for all. In the distant planet Cecilia, there are no grand space operas. No thrilling space adventures. No exciting scientific explorations of unknown quadrants. Only a young Earthling suddenly embroiled in high stakes drama when science and magic come together in the most hilarious ways possible. Contains the stories Sheridan Diggins and the Dead Horde, The Golem Upstairs, The Romeo and Julian Effect, , and Monsters, Science, and Fanatics.
