The 1, 000, 000 Bank Note and Other New Stories is an 1893 collection of short stories by American writer Mark Twain. The collection was published in 1893, in a disastrous decade for the United States, a time marked by doubt and waning optimism, rapid immigration, labor problems, and the rise of political violence and social protest. It was also a difficult time for Twain personally, as he was forced into bankruptcy and devastated by the death of his favorite daughter, Suzy. Yet the title story still brims with confidence and optimism, marking the moment of hope just before Twain turned to the grim stories of his later years. The 1, 000, 000 Bank-Note charts the magical rags-to-riches ascent of a virtuous and resourceful mining brokers clerk from San Francisco who arrives in London with a single dollar in his pocket, and proceeds to ultimate and splendid financial success and fame in London society a paean to ingenuity and a celebration of its cunning confidence-man narrator. It is illustrated by Daniel Carter Beard. The other pieces include Mental Telegraphy, a serious essay reflecting Twains continuing interest in the occult and his wife would later try several seances, poignantly and unsuccessfully, to contact their daughter Suzy; The German Chicago, contrasting Berlin of his era with the American city, About All Kinds of Ships, about steamboats old and new; plus a tongue-in-cheek Petition to the Queen of England for relief from taxes. Also included are: A Cure for the Blues, The Enemy Conquered; or Love Triumphant, Playing Courier, and A Majestic Literary Fossil. This item ships from La Vergne, TN. Paperback.
