Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.There is statistical data that indicates that asthma cases are growing leaps and bounds. Could one of the reasons be the explosion in computer use across the population? This book explores this growing phenomenon and why computer use is a contributory factor. It also provides practical ways of eliminating or reducing the computer use effect. Adetutu Ijose is an IT and accounting professional who is an author dedicated to providing information about the long term effects of computer use having been a casualty of life threatening consequences of computer use the doctors could neither diagnose nor treat. She had to come up with her own diagnosis and treatment, which she got by studying the human machine user manual we call the Bible or Scriptures. Having suffered from computer use induced allergy and asthma resembling issues she had to self diagnose and treat, she is now in this book passing on the information she learned. Providing it in a language everyone can understand.
