Judy Allen an Imprint of Telemachus Press, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Our Millie used to say that she lived in the hairy armpit of life, but I didn't know what she meant until I met her Ma, Big Mil. Big Mil stood almost six feet tall with muscles built from hard work and harder play. She could scare the bull out of the pit bull, the rattle off the snake and make any skin-head want to grow hair and go to church. So begins the story of Our Millie, her friends Idy Clare and Pearlie Gates, her Ma and Pa and brother, Billy Bug and various other characters who populate the series of vignettes which make up this book about life with a quirky Appalachian girl growing up in a more simple time and place. You never know what will happen next so please come into Our Millie's world and prepare to be entertained and, perhaps, enlightened.
