RareBooksClub. Paperback. Book Condition: New. This item is printed on demand. Paperback. 84 pages. Original publisher: Washington : U. S. G. P. O. , 2007. LC Number: KF26 . F5 2007zb OCLC Number: (OCoLC)318650132 Subject: Foreign trade regulation -- United States. Excerpt: . . . 11 dumping actions designed to circumvent the injury and standing requirements of U. S. law. Meanwhile, the trade remedies rules are already heavily stacked against U. S. retailers and other importing and consuming industries in manufacturing and agriculture who are forced to defend their interests with one hand tied behind their backs. For example, unless they are an importer of record, they are not considered interested parties for purposes of standing to participate fully in investigations, even though they pay the bill for the import taxes imposed in these cases. Therefore, many U. S. industries and companies look with alarm at some recent legislation purporting to strengthen U. S. trade remedies laws, some of which would allow petitioners to abuse and game the system to attack legitimate trade, undermine U. S. competitiveness, and violate WTO rules. We live in a more trade-dependent, interconnected economy than when most of the current trade remedies rules were first written. To be competitive in this world, all U. S. industries now have global supply chains, importing from their foreign suppliers and exporting to their foreign customers. In this world, trade cases brought against imports into the United States have increased costs and often undermine the ability of U. S. retailers, farmers, and manufacturers to compete globally. Also, these cases are no longer a struggle solely between foreign and domestic manufacturers. Rather, they increasingly pit U. S. industries against each other, as we have seen in the recent case of the steel and automobile industries. When the importer is a...
