Audible Studios on Brilliance, 2017. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. What doesn't kill you sometimes makes you wish it had. Priddy s a lost soul in a part of Cornwall the tourists don't get to see. He s young, sweet-natured, and gorgeous, but that s not enough to achieve escape velocity from his deadbeat village and rotten family life. He s a drifter and a dreamer, and self-preservation isn't his strong suit. An accidental overdose of a nightclub drug leaves him fractured, hallucinating, with too many vital circuits fried to function in a tough world. When a friend offers him winter work in a lighthouse - nothing to do but press the occasional button and keep the windows clean - he gratefully accepts. His plans to live quietly and stay out of trouble don't last very long. A ferocious Atlantic storm washes a stranger to Priddy s lonely shore. For a shipwrecked sailor, the new arrival seems very composed. He s also handsome as hell, debonair, and completely unconcerned by Priddy s dreadful past. Priddy has almost given up on the prospect of any kind of friendship, and a new boyfriend - let alone a six-foot beauty with eerily good swimming skills - out of the question entirely. But Merou seems to see undreamed-of promise in Priddy, and when they hit the water together, Priddy has to adapt to Merou s potentials too, and fast. His lover from the sea might be a mere mortal from the waist up, but south of that line. Far-flung west Cornwall has 100 mermaid tales. Priddy s loved the stories all his life. Now he has to face up to a wildly impossible truth. Merou s life depends upon his courage and strength, and if Priddy...
