SOCIAL SUSTAINABILITY HANDBOOK FOR COMMUNITY-BUILDERS (PAPERBACK)

Daniel Raphael Consulting, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Designing and building a sustainable community must be build upon a values system that is sustainable because all decision-making is based on values of choosing according to those values. The values that have sustained our species for over 250,000 years would be a good place to start: the search for a better quality of life, of growth, to grow into our innate potential and do to so equally as any other person would or could. The best place to start is in your community using a Socially Sustainable Design Team Process and Schematic that guides the Team to sustainable social policies, organizational processes and far more.
